- "Francine made all the difference. She asked the right questions to help us figure out just what we needed and wanted and then she made sure that we looked at all options to gain an understanding of what was available. In addition to making herself available for showings at our convenience, she was most helpful at helping us arrive at a choice that fit our lifestyle. When we made the offer, she made sure to expedite things and we couldn't be happier with our new home. - “I had been looking at properties for months. I chose a friend as my agent. Yet after three deals slipped away – I had had enough. Changing real estate agents was a terribly hard decision, but one I will never regret. Sullivan Multi rescued me from a pit of despair. With Sullivan, I made three offers in three days, and on the fourth day, after rapid fire negotiations, which took \$23K off the sale price, I had a great property under contract. I had been working hard at this process for months, but these guys were working harder.” **-Moises Sabina** --> [Click To Read More from Moises](#)
- “Hi Brit & Bill & the Sullivan Team,
I just wanted to thank you all for a job done exceptionally well. When other agents dropped the ball in trying to sell my multi I figured moving to you might be the right move. You were providing all the showing to my place and sold a similar property on my street! Do actions speak louder than words? Your actions provided results. Anytime I speak with someone interested in buying or selling mults, I'm sure to bring up your names. I wish you all the best and look forward to working with you again in the future. Keep up the great work! Best wishes," **-Ian Talmage**
